

PHOTO RELEASE FORM

Parents,

We are constantly working on updating our preschool brochure and web site and would like to use some of the photos we have taken of the children at work and play. We may also on occasion submit a photo to the local newspaper for publication.

Below you will find a permission slip to sign letting us know whether we have your permission to publish your child's photo or not. The decision is yours.

Please sign and return the form.

Thank you,

Christina Eggener, Preschool Director
